

PARENTAL FORUM 16th JAN 2025

You Said...

- The advertisement of Future forums to have more specific details on the topics being discussed.
- Teams link for the meeting also to be made available to parents
- Workstation at progress evenings to help support parents in the use of Edulink and the School website.
- You would like us to use more instructional videos when posting updates on things like behaviour and curriculum.
- Website update – Access to Year level curriculum maps, Subject outlines, Knowledge organisers, vocabulary banks to help parents support students learning.
- Links to website pages on messages home would be useful.
- An increased use of EDULINK.

We HAVE...

- Texts have already started to include links to the website pages (Enrichment programme text 21st Jan).
- Posted a video recording to help explain the use of 'Year 100 days' revision programme (21st Jan).
- Text with link to 100 days video sent to Year 11 parents.

We WILL...

- Organise workstations at progress evenings to help support parents with the use of the new curriculum resources on our website, once it is updated.
 - Provide more detail on Parental Forum topics for all future meetings.
 - Continue to support all parents accessing Edulink to support their child's learning.
 - Offer parents the opportunity to join future forums via TEAMS.
