

9th March 2023

Dear Parent / Carer,

In response to the current cost-of-living crisis, we have paired up with the National School Breakfast Program (NSBP) and the Local Authority to offer breakfast to all students. As of Monday 13 March, I am pleased to announce that we will offer toasted and buttered bagels, free of charge, to all students in all year groups. We see this as a good 'grab and go' option that is accessible to many of our students.

The bagels will be available for collection in the canteen between 8.00-8.30am, before tutor time registration, every morning during term time. Students are welcome to collect items to consume from the canteen prior to attending registration.

The Academy would like as many students as possible to take advantage of this offer. There will be a set number of bagels made available each day which we will adapt depending on demand. We expect to be in a position where we can predict consistent numbers relatively quickly.

If you have any questions please do not hesitate to get in touch with me via email at bhendren@workingtonacademy.org.

Yours faithfully,

Mr B Hendren

Assistant Headteacher
